

Everyone deserves a healthy future

Children's community health services
are changing...

www.yourhealthyfuture.org

We have been looking at the way children and young people's community health services are working for you and seeing if we can make them better

We asked the public last year if these services could be improved

DRAFT
THE NEW PLAN FOR CHILDREN'S
COMMUNITY HEALTH SERVICES

We listened to this feedback and made a draft plan of the way children and young people's community health services could look in the future

Now we need your opinion
- let us know what you think

Make your voice heard

Let us know what you think of the plan
between 3 September and 25 November 2015
